

Those students following **unit 7 – Explore Mixed Media**

Create a five slide PowerPoint or booklet about the work of two of the following

- Robert Rauschenberg
- David Hockney
- Jasper Johns
- Chila Burman

Include

- A bit about their life
- Pick three of the art works they created and evaluate them – say what you like about them, dislike, how they were made? Are they good examples of mixed-media work, why?

Arts Award –Unit 2

When you have done this create a project for your Bronze arts award on your Arts Hero. We have discussed this in class and some of you have started your research. I will provide you with a check list of things to include.

Unit 3- Arts Award

Look at these links – start to think about what might be in these galleries and what you might like to see during a school visit. What work do you recognise from your pop art project? List them

<https://www.tate.org.uk/visit/tate-modern>

Look at the fashion from this gallery. What do you like? Look at the Alexander McQueen Savage Beauty exhibition. What accessories could you design to accompany this collection? Draw them.

Those students following **Unit 9 – Explore 3D crafts**

Create a five slide PowerPoint or booklet about the work of two of the following film artists who design props and the creative vision (how the film will look).

- Tim Burton
- Stuart Craig (Harry Potter)
- Rick Heinrichs (Captain America and Star Wars)
- A Creative director/ Designer of your choice

Include

- A bit about their life
- The films they have been involved
- Pick three of the designs they created and evaluate them – say what you like about them, dislike, how they were made, what their function is? Are they good design, why?

Then make three different designs of your own for this film.
