

Friday 17th July 2020

Dear Pupils, Parents and Carers,

The summer holidays are here and this is the final web-page update before the break begins.

I put together a pack of summer fun (puzzles, crosswords and mazes) for older students last week. Here is a copy in case other children would like to do them too. If you are a younger student and like to listen to stories, these are lovely ones, with very positive messages.

I hope you all have a happy, relaxing summer.

Best wishes,

Mrs Childs
