

Week Beginning 27th April

It was lovely to catch up with parents this week and this will continue going forward. Please remember that activities are only suggestions and some activities will be more appropriate than others. I will include visuals that may help support with some activities and interactions with your child. Blue borders have been placed around songs etc and you could incorporate this into a now and next board (see below) to help with routine.

This week we will continue the theme of 'The Farm.'

This week our link to the farm will beducks. Links to stories and songs below.

Suggestions for activities this week:

- Growing vegetables or herbs (watering them as part of daily routine.)
- Grow vegetable scraps - <https://www.bbc.co.uk/cbeebies/makes/dotf-vegetable-scraps>
- Using empty egg boxes, make and count playdough eggs
- Additional 5 little ducks activities (bottom of document)
- Supported mark making (adult drawn pictures of a duck) – paint, felt tips, crayons etc
- Rubber duck water play or just water play with different objects (children to use food utensils to remove ducks from water)
- use LEGO/DUPLO to make ducks and characters together
- Make playdough ducks together

Please remember to look at some of the other suggestions on our home learning section. A good suggestion would be for a sensory circuit to be completed twice daily before attempting an activity that requires concentration.

Many thanks,

Miss A Andrews
