

06.07.2020

Dear All

I hope you are well and happy. Mrs Sullivan and I hope you have had a good weekend and were able to get outside or enjoy time with your families. It is nearly the summer holidays, let us hope we have some good weather so we can all get out and about a bit more.

We hope you were able to start the project set for you last week. Please carry on with this project for this week's artwork. Mrs Sullivan and I will be giving awards and prizes for the best designs and models.

We will continue to call you every week, however, if you are unsure about any work we have set please ask your adults to contact school and we will be happy to call you and talk you through what you need to do.

Please go to this website

1 <https://www.darrellwakelam.com/downloads>

2. Download full collection

3. Make a cardboard castle shape and then make it into a Harry Potter inspired Hogwarts of your own design. Be imaginative and make it as original as possible. The instructions for the 3D work are step-by-step to make it easier for you. You can then add your own ideas for a new Hogwarts School building.

Do not forget - we will give prizes for the best design and the best model.

Please send a photo of your completed work to the school office.

Good luck

Mrs Nehra and Mrs Sullivan
