

Wednesday 15th of June 2020

Dear parents and carers,

I hope that you had a lovely weekend and was able to enjoy the wonderful weather. This week you should receive your home learning packs. Inside the packs I have included an activity linked to an online story of Jack and the Beanstalk, which has been made into 14 episodes on bbc.co.uk. I have included in your home learning packs worksheets which accompany 1-10 episodes. I have added the link below under the subheading for English. If you browse this site with your child, you can find additional resources such as extra worksheets which can be printed off and short songs that accompany different episodes. I have watched these videos with my own children and they absolutely love them.

I would like to say well done to Elijah for completing his 11 and 9 multiplication grids online. A fantastic job!

0	1	2	3	4	5	6	7	8	9	0	1	2	3	4	5	6	7	8	9

English:

Hawthorn Class online story this week is the **Jack and the beanstalk**. Please find on the following link

<https://www.bbc.co.uk/teach/class-clips-video/english-ks1-jack-and-the-beanstalk-home/zff42sg>

Spelling online learning:

I would like to direct you to BBC bitesize for online learning. The following link should take you to KS2 spelling which has lots of fun online games and activities to teach and help improve spelling. This week's focus is the **shus** sound. It is often found in adjectives and can be spelt in two different ways: cious or tious.

<https://www.bbc.co.uk/bitesize/topics/zt62mnb>

Maths:

This week our focus will be learning about addition and subtraction. I have included worksheets in your home learning pack that teaches addition and subtraction. I have added a link to BBC bitesize that can help teach your child how to add using the column method.

At home you could practice adding and subtracting change when using and handling money. Try using a number line when adding and subtracting up to 20 or using column addition and subtraction.

Please click in the following link that teaches column addition and subtraction.

<https://www.bbc.co.uk/bitesize/topics/zy2mn39>

The link below is an addition and subtraction online game

Well- being

In Hawthorn Class we have been learning how to manage our anxieties, worries and strategies to keep calm. I have found this short song/rap on You Tube. It's a good video, although it is American, so they use recess instead of playtime and a few other American terms. Please click on the link <https://www.youtube.com/watch?v=l7g8Atv27Q8>

This is a nice book which I have found on You Tube called **Ruby finds a Worry**
<https://www.youtube.com/watch?v=VCyiiHI2SJU>

If you have taken photographs of your own children completing any of these tasks or you would like to share an activity you have done or are doing at home. If you are happy for photographs to be shared on this web page. Please email them to the Woodsideoffice@bwf.eduation

Stay safe and have fun!

Kind Regards

Mrs Lainson, Mrs Flannagan and Miss Wilson
