

Youth Action Diversity Trust presents

Care for the Family Time Out for Parents Courses January to March 2018

YADT are delighted to be able to offer the Care for the Family Courses under our Life Skills Programme. These courses are run by our behavioural team who have extensive experience working with families and young people with diverse needs. Courses MUST be booked in advance!

We know that being a parent can be both rewarding and challenging. Our courses are here to support you and to help you build a strong and secure relationship with your child, whatever their age. They include group discussions and practical tasks to help you build on your strengths and give you time and space to think about any changes you want to make.
