## Bexley Post-16 Directory 2023 – 2024

The directory of post-16 education in Bexley for the 2023 – 2024 academic year is now available.

Along with information on our post-16 webpages, we hope it will help you make an informed decision on what you want to do after year 11. Download your copy at [www.bexley.gov.uk/post16](http://www.bexley.gov.uk/post16)

As well as their planned courses, the directory contains details of when Bexley's schools and colleges are holding post-16 open evenings and events this term. Some schools and colleges may require you to pre-book or have limited spaces available. Check the event details and register through the school or college website or call them if needed.

When you find what you'd like to do next, check the entry criteria and get your application in as soon as possible. Some courses are very popular so don't delay, don't miss application deadlines, and don't wait until you've got your GCSE results to apply for a course – you may find there are no spaces left! If you need help with your application, speak with your parents / carers, teachers, or school's careers adviser.

National Apprenticeship Week takes place from Monday 6 to Friday 10 February 2023. If you're interested in apprenticeships, this is the best time to find out more about them and begin to look and apply for apprenticeships to start after your exams. Bexley's Apprenticeship & Participation Event will take place on the evening of Monday 6 February 2023 at the Civic Offices in Bexleyheath. More details and event registration will be available from mid-January 2023 at

We hope you find the Decisions Post-16 Directory and webpages useful, and that they help you make an informed choice on what you do after year 11. If you have any feedback, please email us at
