

Preparing for Adulthood - Bexley Needs Your Voice!

As part of Bexley's commitment to address the issues arising from the SEND Inspection as they relate to Preparing for Adulthood, Middlesbrough Council have been commissioned by the Department for Education to support them to identify areas of improvement and best practice...

Members of Middlesbrough's PFA team are keen to meet with Bexley parents of young people aged 13-25 who have or had an EHCP or SEN support to understand:

- your views in terms of current provision
- gaps in provision
- what you think needs to be developed to meet the needs to support young people to prepare for adulthood
- what support is available during transitions

Thursday 23rd January 25

9:30am-11:30am

Central Library, Bexleyheath
(Chaucer Room)

It will be great to see as many of you as possible as your voice really counts!

See website for more details and to book.
