

29<sup>th</sup> April 2020

Dear Parent/Carer,

We are delighted to be receiving so many photos of Woodside children and young people, enjoying home learning activities whilst staying safe at home.

Currently we are sharing these on our school website, Twitter feed and 'The Woodside Way' newsletter. If you could simply state which of the three or all three you are happy to feature in, this will make it clear for ourselves and for you. If you just want the pictures or work to be shared with the class teacher, that's fine too.

Please send any photos you wish to share, to the school email address [office@bwf.education](mailto:office@bwf.education)

Kind regards

Woodside Academy
