

Dear Parent/Carer(s),

Hello! We are the Oxleas NHS Speech Therapy Team at Woodside Academy and are looking forward to another new and exciting school year. We just wanted to take a moment to introduce you to your child's speech and language therapist for the 2022-2023 school year. Below you will find a list of the speech and language therapists, their contact details, working days at Woodside Academy and which classes they oversee.

In addition to the service provided by Oxleas NHS Speech Therapy Team, Woodside Academy have invested in additional speech therapy services, some of which is provided by Therapy Links UK (TLUK) and the remainder by the NHS Team. The support provided by TLUK is a universal and targeted service with the aim of delivering additional support to further enable all parent/carers and staff to meet the communication needs of the students at Woodside Academy. Specific queries about your child's individual communication support should be directed to the appropriate Oxleas NHS team member.

You can contact us directly via email, by emailing the school at [office@woodside.iseat.org.uk](mailto:office@woodside.iseat.org.uk) or by calling the school on 01322 350 123. Our Single Point of Access (SPA) Team can also help you get in contact with us during school holidays if you need to. They can be contacted on 0203 004 0092 or [oxl-tr.bexleyscs-spa@nhs.net](mailto:oxl-tr.bexleyscs-spa@nhs.net). We are looking forward to working with your child this year. Please don't hesitate to contact us for any queries or concerns about your child's speech and language needs.
