

Red Nose Day

Post 16 would like to thank you for all your support in raising money for Red Nose Day. The total amount raised so far is ± 270.45

We would also like to thank Mrs Vincent and Ms Hatton for coordinating this event.

In Buttercup class we enjoyed trying on red accessories!

Dear Parents & Carers,

At the end of the spring term, we can really look forward to what we all hope will be a more settled summer. We can also look back at the achievements of everyone during what has been a year like no other. I would like to thank you for your ongoing support, understanding and patience over recent months.

Our focus in school has been to settle the children back in and to make the very most of the time that we have with them in school. The transition back to face-to-face learning for all has been smooth for the most part although we have noticed that it has been more challenging for some children.

For all children, this has meant re-establishing routines, getting used to being with other people and trying to merge the remote and in-class learning. Teachers have been reassessing children on their return to check that personal learning plans remain valid. The Y10 –Y13 students are working hard to complete necessary preparation for their qualifications assessments and exams which will take place early next term.

Next term we are hoping to be able to welcome parents and carers back into school. We are planning face-to face events but have planned contingencies if we cannot proceed as planned. Please do keep up to date with details and announcements over the next weeks and months **Parent & Carer evenings** will be held from 3.45-5.30pm on:

Tuesday 25th May: Year R- Year 6 Wednesday 26th May: Year 7-Year 9 Thursday 27th May: Year 10- Year 13 In the hope that restrictions will be lifted as planned, we have also tentatively made plans for **Sports Days** as follows: Monday 5th July: Year R- Year 6 Tuesday 6th July: Year 7-Year 9 Wednesday 7th July: Year 10-Year 13 *Please note that arrangements and dates are provisional.* I hope that you enjoy this issue of the Woodside Way. Children return to school on **Monday 19th April.** With best wishes for the Easter holiday, Kathryn Freame Head of School

Sensory Gardening

Ben is planting sensory plants thyme, sage and lemon which promote touch and smell.

Goodbyes and Hellos

At the end of this term, we say goodbye to Mrs Perry from Maple class who is leaving us and her long career in teaching for a new adventure. We wish her every success in the future and are grateful for the difference she has made to our school community in the past few years. We are welcoming Mr White (class teacher), Ms Diallo (TA) and Mrs Catlow (SENCO) to join the Woodside Team after the Easter holiday. Ms Wendleken has been promoted to the role of TA. Miss Hookway is also returning from her maternity leave and will join the EYFS-KS1 team for the summer term.

Bag books Multisensory story bag

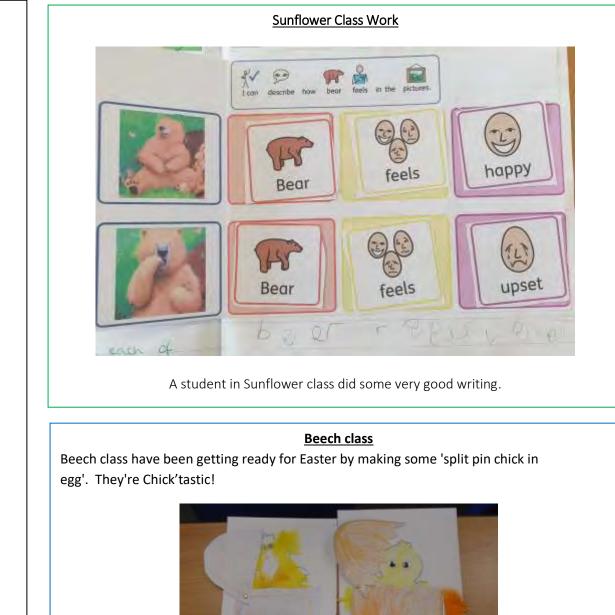

Bag Books received funding from The National Lottery to donate a story to a family that would enjoy and benefit from listening to them in their own homes. We were fortunate to have received 10 copies at Woodside Academy.

Bag Books selected schools and hospices around the UK who use our books regularly and understand the benefits. The students at Woodside Academy are encouraged to use turn taking, waiting, peer interaction, sitting and eye contact when sharing a story in class. One of our primary children loved exploring the story at home with his parents.

Book Review Competition Winners

We love to read at Woodside and our busy readers have been writing fantastic book reviews to enter into a competition. Here are photos of some of our wonderful winners!

Pupils reviewed a wide range of books, from traditional fairy tales like Red Riding Hood, to information books about trains. It has been lovely getting to know more about what our young people like to read.

I would like to say thank you and well done to everyone who entered.

Art & Design

Year 11 Art and Design students have been working on various different projects including a fashion unit and props for movies. The year 10 students are working in 3D. Here are some examples of their work.

We are all working hard to meet coursework deadlines and produce fantastic art work.

Post 16 English

<u>Post 16</u>

Part of Post 16 English lesson is current affairs and we watched Monday's edition of Newsround and voted on a story of interest. Monday's story was about Covid one year on and we looked at a survey that the BBC had asked 2000 children to take part in. This was to see how children have coped. Students then made notes.

Covid

The girl and the boy had to take a boat to school since their boarding School was closed and they had to do this everyday.

There was another boy who left Belguim and didn't know the language and how he had to teach him self. He knew it was going to be hard but "repound a way to help him yet through it.

People found bad things about could - They had to stay home and online learning was hard for them because of their internet problems and now they perfer school over online learning. The

The other teson their Gose they didn't get to fragen Finish it because of the first lackedown stopped them. People found exercicise hand because they wasn't able to go out side and have a run or bike riding or go to a gim.

The good thing popple found about lock-clown was that they Spend time with their family more and get a long with them by coolding of pluy bound games with them.

Ine did mention how he couldn't spend time with their grand parents but spend 2 days a week with them now.

LIN, WARTH 2021 Its been A year OF COVID-19! Zum 6AVE2010

Its been a year since conona Wive Started, The BBC did, a survey On 2000 Children in the UK. A 1000 F Children dilant i the lockithan because exams were concelled, you can't visit family and fittends, shores and Childs were shut can't go on summer holidays and also had oo wear face masks and social dispancing. It felt like prison and worky in lockithin some Children said. But the good news is that we have a vaccine ! Now all the old and adults can have it when Tos their turn and hopefully we can go back to normal soon.

Post 16 Maths

During Post 16's maths lesson on money, Nathan asked a question about "why the £1 coin was no longer a note?" Staff were honest and admitted they did not know the official reason why and would have to look the information up.

Nathan said he would look it up on Google, which he did at home but was unable to find a clear explanation or answer. So, he independently emailed The Bank of England.

Nathan received a reply from them and came into school today feeling very proud that he has had a reply and shared his news.

Post 16's Life Skills

As part of Post 16's Life Skills Lesson, we are concentrating on making our school environment clean and tidy and so have now resumed litter picking.

If you're worried that anyone under the age of 18 might need help, or is being neglected or hurt, you must tell someone.

If you're a concerned member of the public, you can:

Pupil Covid testing/reporting procedures during Easter break

Secondary/P16 pupils should:

- Continue Covid home testing twice a week and reporting results via the NHS Link.
- Ensure a test is taken the day before/morning of return to school.

Should you obtain a positive LFT result, or have Covid symptoms you should:

- Immediately book a PCR test for clarification of result.
- Advise close contacts to self-isolate.
- Up to 2nd April, email details of positive test results to Woodside at <u>office@bwf.education</u>. Please include your child's full name, class, the date when your child first developed symptoms and date you received confirmation of a positive test result.
- From 3rd April the school does not need to be notified of positive results, unless it means the child is unable to return to school on 19th April.

We ask that you please do follow the above guidance to ensure that we comply with the Government guidance.
